A TRANSPARENT EXPERIENCE

# COMPANY PROFILE

## ABOUT

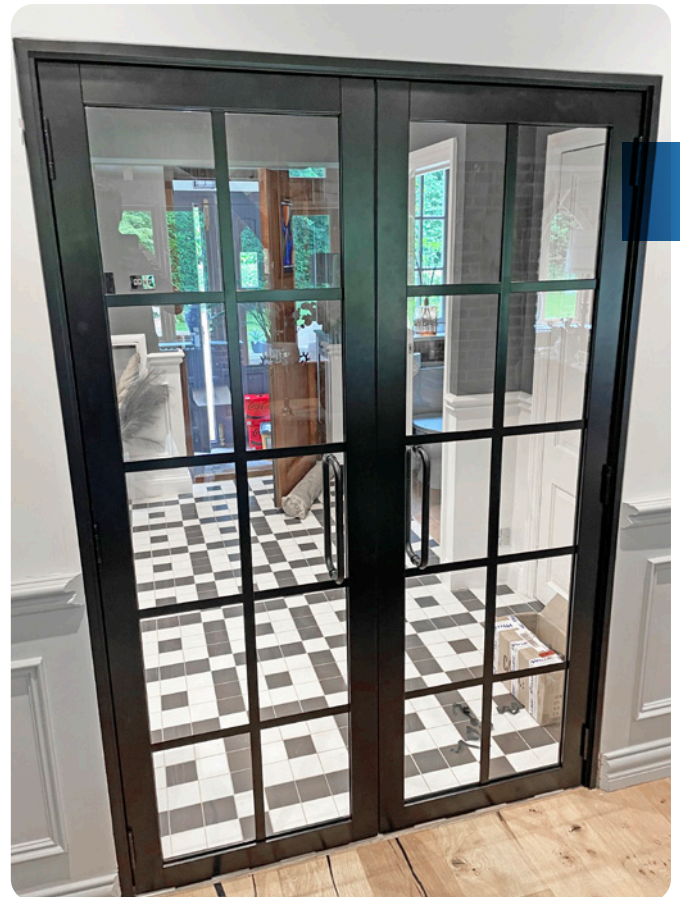

# Glass Elements

---

Glass Elements Ltd offers a stunning array of installations tailored for both commercial and residential clients throughout the United Kingdom. With over 20 years of experience in the industry, we are committed to delivering outstanding solutions at competitive prices. Our extensive portfolio showcases a variety of projects, including glass partitions, balustrades, exquisite shower enclosures, and custom acoustic pods. Each installation is meticulously crafted, ensuring that aesthetics and functionality are perfectly balanced in every design.

In addition, we take pride in our commitment to sustainability and innovation. By utilising eco-friendly materials and cutting-edge technology, we enhance the beauty of your space while contributing to a more sustainable future. Our focus on quality and customer satisfaction has established us as a trusted leader in the installation sector.

Whether you wish to transform your home or elevate your business environment, Glass Elements Ltd is dedicated to bringing your vision to life.

## MEET

# Stephan van Wyk

With over 20 years of experience in the Glass and Aluminium industry, my expertise covers surveying, installations, project management, and crafting custom glass solutions for clients. Honesty and integrity are the cornerstones of my work, reflected in the successful and exceptional results I consistently achieve through dedicated hard work.

# OUR SERVICES

Glass Elements Ltd offers a comprehensive range of services designed to meet the diverse needs of our clients. Our expertise and dedication to quality ensure that each project is completed to the highest standard. Here is an overview of the services we provide:

## Custom Design & Fabrication

Collaborate closely with our talented team of professionals to turn your vision into reality. From the initial concept to the final installation, we offer bespoke design and fabrication services tailored to your unique requirements. With a strong emphasis on craftsmanship and meticulous attention to detail, we ensure that every project is executed to the highest standards, resulting in outcomes that exceed your expectations. Our commitment to quality and precision guarantees a seamless process and a final product that you can truly take pride in.

## Phone Booths or Meeting Pods

Glass Elements offers acoustic pods designed to create soundproof spaces within open-plan environments. These innovative solutions are perfect for creating quiet zones in offices, meeting rooms, or study areas, effectively reducing noise distractions and enhancing productivity. Our acoustic pods are made from high-quality materials to ensure excellent sound insulation and privacy. Available in various sizes and configurations, they can be customised to meet the specific needs of your workspace. With easy installation and a modern

design, our acoustic pods serve as a valuable addition to any area requiring improved acoustic control and a tranquil atmosphere.

## Fenestration (Windows and Doors)

We provide expert fenestration solutions, including Aluna systems, aluminium windows and doors, timber door installation, and industrial cladding.

Our comprehensive range of services also includes handrails, balustrades, steel fabrication as well as custom mirrors and splashbacks. Whether your aim is to enhance the aesthetic appeal or improve the functionality of a space, our meticulously crafted solutions offer the perfect combination of style and performance to meet your needs.

- Handrails and balustrades
- Mirrors and Splash Backs
- Glazing/industrial
- Skylights
- Walk on Glass
- Glazing

## Glass Office Partitions / Meeting Rooms

We enhance environments with premium glass solutions, offering a variety of options such as single and double-glazed partitions, acoustic glass, and both frameless and framed doors, including sliding varieties. Our selection also includes switchable glass and Crittall-style partitions,

which blend practicality with modern, stylish design. Whether your goal is to boost privacy, enhance sound insulation, or elevate the overall look of your space, our custom glass solutions deliver the ideal combination of aesthetics and functionality.

- Acoustic glass partitions
- Crittall (banding) glass partitions
- Single glazed Office Partitions
- Double Glazed office partitions
- Framed Glass door
- Framed glass sliding doors
- Frameless Glass doors
- Frameless glass sliding doors
- Switchable glass
- Desk divider screens

## Window Filming (Manifestation)

Transform your space with our advanced Window Filming Solutions, enhancing functionality, privacy, and safety. Our Solar Films block UV rays, reduce glare, and improve energy efficiency. One-Way Films provide privacy with a mirrored finish, while Bomb Shock Films reinforce glass for added security against impacts. Black Out Films eliminate light for total privacy in rooms like bedrooms and conference spaces. Each film is designed for durability, functionality, and aesthetics, ensuring excellent window performance.

- Solar Films
- One way Films
- Bomb shock Films
- Black Out Films

## Drylining

Transform your interiors with our expert Drylining and Partition Solutions, designed for modern functionality. Our lightweight yet sturdy Partition Walls offer flexibility, privacy, and sound insulation, suitable for offices, residences, and commercial spaces. Additionally, our Bulkheads enhance aesthetics by concealing lighting and wiring, integrating seamlessly into any design. Ideal for new constructions or renovations, our solutions optimise space and enhance the atmosphere.

- Partition walls
- Bulkheads

## Installation & Maintenance

Rely on our skilled technicians for the expert installation of your glass and aluminium products. We handle each project with meticulous attention and efficiency, overseeing every detail to guarantee a perfect fit and optimal performance. In addition to installation, our maintenance services are tailored to safeguard and prolong the lifespan of your investment, ensuring your products remain in peak condition for years ahead.

## Steel Fabrication

Glass Elements offers exceptional steel fabrication services tailored to the demands of both contemporary architecture and classic designs. Our skilled team utilises high-quality steel to craft custom structures and elements, such as frames, gates, railings, and more. Whether you need personalised fabrication for a commercial endeavour or a home renovation, we promise precision, strength, and a polished finish. With years of expertise, we ensure that each piece we create meets exact specifications and delivers outstanding durability and functionality.
